Explanatory Note

Aerovate Therapeutics, Inc. is filing this Amendment No. 1 (the "Amended Report") to its Current Report on Form 8-K filed on June 28, 2024 (the "Original Report") for the sole purpose of correcting an error contained in the signature block of the Original Report. The correct title of Mr. George A. Eldridge is Chief Financial Officer. This Amended Report does not otherwise change or update the disclosures set forth in the Original Report.

On June 25, 2024, Aerovate Therapeutics, Inc. (the “Company”) determined to implement a reduction of the Company’s workforce (the “Workforce Reduction Plan”) following the Company’s previously announced decision to shut down its Phase 2b/Phase 3 clinical trial of AV-101 as well as the long-term extension study. Under the Workforce Reduction Plan, the Company intends that nearly all of its workforce will be terminated in the coming months. The Company initiated the first wave of its Workforce Reduction Plan by notifying 39 individuals, or 78% of the Company’s workforce, of their termination. The affected individuals will be provided severance benefits, including cash severance payments. Each affected individual’s eligibility for severance benefits is contingent upon entering into a separation agreement, which includes a general release of claims against the Company.

In connection with the Workforce Reduction Plan, the Company estimates that it will be incurring costs (in consideration of releases) of approximately \$5.6 million, which are primarily one-time severance benefits. These costs are expected to be incurred in the third and fourth quarter of 2024.
